## PLANNING & HIGHWAYS COMMITTEE

### **P052 COMMUNITY RISK MANAGEMENT PLAN 2014 – 2020. Consultation 2013**

The Planning Committee members considered the consultation document and questions asked in the questionnaire and decided that they can only comment on issues concerning Hereford City.

It was then unanimously agreed and **RESOLVED** that a following recommendation be made to the full Council:

*Hereford City Council appreciates that, like many other organisations, the Fire Authority has to trim its budget and, that it has made substantial back office and staffing cuts already. But given that Hereford City is a major population centre we would advocate, if possible, the retention of all three fire engines. If this was not a sustainable option then we would like to see that both of the two proposed fire engines for Hereford are wholetime with wholetime fire crew, rather than on-call crew.*

### **P053 APPLICATIONS FOR PLANNING PERMISSION**

### **APPENDIX 1**

#### **It was RESOLVED**

that the representations in respect of the applications for planning permission and similar matters referred to the City Council by the County of Herefordshire District Council under paragraph 8 to Schedule 1 of the Town and Country Planning Act 1990 be as resolved in Appendix 1 annexed hereto and that the same be submitted to the local planning authority.
