## DECLARATIONS OF INTEREST

Hereford City Council has adopted the Code of Conduct of Herefordshire Council pursuant to the Localism Act 2011. In terms of declarations of interest the following principles now apply.

1. The former distinction between prejudicial and personal interests has been replaced, and these terms should no longer be used. They will not be used in minutes.
2. Where a member has registered a financial or “pecuniary” interest in the register of interests held by the Monitoring Officer of Herefordshire Council, they must repeat this declaration when any item in which they have such an interest is on the agenda at any meeting they attend. Having made that declaration, they must fill in the register brought to each Committee and Council meeting and may not make any comment whatsoever while the item is under discussion. They may, if they wish, remain in the meeting to observe the debate.
3. Where a member has an interest which is sufficient to give rise to a reasonable expectation that they will not be able to consider a matter impartially, for example where they have a close personal relationship with a party involved, where they have made a public and unequivocal statement of their views etc, this is a disclosable, but non-pecuniary, interest. They should declare this interest at the start of the meeting and may remain in the room and speak (provided members of the public would also be allowed to speak on this item). Members who have declared an interest of this type may not, however, vote on the item to which their interest applies.
4. Where a member becomes aware of an interest during discussion they must declare it immediately and act accordingly.
5. Members of the Planning Committee should continue to resolve at the start of each meeting that their views are preliminary and that those who are members of Herefordshire Council reserve their final position until all representations and facts have been considered.
