

JUNIOR MAYOR OF HEREFORD

NOMINATION FORM

Why do we have a Junior Mayor?

- To give a civic presence to a young person representing the young people of the city.
- To encourage young people to take an interest in their city and be involved in helping to make Hereford a better place to live, study and work.
- To help Councillors understand what young people want, what they are concerned about and what they want to do to make improvements.

Who can be Junior Mayor?

- Anyone between the ages of 12 and 17 who either lives or attends full time education in Hereford.
- Parent(s) or guardian(s) must give consent.
- Applications are welcome from any young person, without discrimination.

How do we find a Junior Mayor?

- Nominations are made by schools and youth organisations.
- The Youth Council shortlist nominations and arrange interviews in November with the panel consisting of a youth worker, the Mayor and a Youth Councillor.
- The interviewers will ask about the nominee, why they wish to be considered and what they feel they could bring to the role. Questions from both parties will be welcome.
- The panel will decide the best candidate for the role and a Junior Mayor-Making ceremony will take place in January.

What does the Junior Mayor do?

- Attend some major civic events such as the switching on of the Christmas Lights, Remembrance Sunday and the opening of the May Fair (with free rides!).
- Be invited to The Courtyard Christmas Pantomime and to any other events where the Mayor specifically wants a young person to accompany them.
- The Junior Mayor automatically becomes a member of the Youth Council (many have carried on with this as they found it rewarding and interesting).
- Involvement in Youth Council projects such as Knife Angel Hereford, planting an urban orchard, filming a promotional Video, meeting with various local leaders.

What sort of person are we looking for?

Attendance at Youth Council meetings will be required and to get involved in the big ceremonial events. There will be times when the only young person at an event would be the Junior Mayor, for example on Remembrance Sunday there are a lot of cadets on parade but the only younger person in the civic party with the Mayor and other officials will be the Junior Mayor. This may take some getting used to as there may well be a lot of questions.

On average in any one year there are 10 key events the Junior Mayor will attend and up to a further 10 other Mayoral engagements dependant on the availability of the Junior Mayor.

If the nominee has an interest in the local community, or if there has been any involvement in any projects such as community clean ups, environmental projects e.g. habitats for wild animals, or helping disadvantaged families/individuals through schools or any other organisation that would be good to hear about. There will be lots of guidance with things like where to stand and what to do at civic events.

The role will require a certain level of dedication. On average in any one year there are 10 key events the Junior Mayor will attend and up to a further 10 other Mayoral engagements dependant on the availability of the Junior Mayor.
